Comment. The present report indicates that major elements of the 44th Gds Mecz Regt were stationed in Vienna.

the 12 T-34/85 tanks reported belong to the 127th Tank Bn of the 44th Gds Mecz Regt. The four 85-mm AT guns observed presumably belong to the artillery battalion of the 44th Gds Mecz Regt.

the trucks which towed these guns belong to the 44th Gds Mecz Regt, belongs to the artillery battalion of this regiment. In August 1953 the artillery battalion was still equipped with 76-mm guns.
